IN OUR HEARTS

EX LIBRIS

Cog 'n' Pen

PRESENTED BY THE

Class of June 1949

CENTRAL COMMERCIAL AND TECHNICAL
HIGH SCHOOL

NEWARK, NEW JERSEY

Foreword

WITH a song in our hearts—our Alma Mater—we, the graduating class of June, 1949, give to you, undergraduates and friends, the spirit of democracy and equality for all, which we have tried to practice during our four years at Central High School.

We have made new friends, retained old friends and increased our store of knowledge. We have patiently striven to portray school life with all that was demanded of us. We sincerely hope that our endeavor will be a successful precedent for succeeding classes to emulate.

For us all, this Cog 'n' Pen will bring back fond memories of high school days—memories we shall never forget, of our yearbook and our friends. We shall always cherish our Alma Mater as the song in our hearts.

Dedication

WE, the graduating class of June, 1949, wish to express our sincere appreciation to our advisers who have given their time and experience so freely and unselfishly, to make our class outstanding in all of its undertakings. We have felt their influence in all our enterprises.

We wish to assure them that we shall endeavor to live honorable and upright lives, and that we shall be respected citizens, who will take an active interest in our city, our state, and our nation.

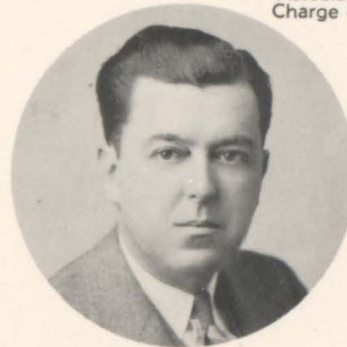

Furthermore, we shall do all we can to retain our great democracy, and that our nation will have all the help and inspiration that we are able to give.

DECORATING COMMITTEE

JUNIOR-SENIOR PROM

3B Term

Boys meet girls . . . Girls meet boys—Result: Everyone going steady . . . almost. Password: "Just ten more months and vacation again." Girls excited, boys excited . . . Reason: 3B social. Well, time for elections: Frank Torchia, president; Bob LaTorre, vice president; Mirko Nussbaum, executive secretary; Gerry Cuozzo, corresponding secretary; Carl Haverick, treasurer. Boys get tired of passing out elevator slips. Football rallies . . . more romances in bloom. Exams . . . We're happy, we all passed. (Oh, yeah!)

3A Term

New term. Resolution of all 3A students: "I'm really gonna settle down and study (when I don't have anything else to do)". Be Bop Hop (terrific name, huh?) was a great success. New elections held: Barron Castle, president; Mirko Nussbaum, vice president; Gerry Cuozzo, secretary; Carl Haverick, treasurer. Cut list increases. Finally vacation comes . . . We all leave happily, proudly displaying our class rings. We're happy, we all passed????
SENIORS

4B Term

Vacation over. (Oh, yeah) Campaigning for office begins again. (Signs, bribes, please, etc.) The officers are: Barron Castle, president; Mike Kozlowski, vice president; Gerry Cuozzo, secretary; Carl Haverick, treasurer. We're all planning the big 4B Dance . . . Decorations for the Junior-Senior Prom get under way. Words on every student's lips: "Are you going to the Junior-Senior prom?" Everyone's filled with that good old Christmas Spirit (Christmas Vacation). Report cards . . . Wheee, just made it!!!

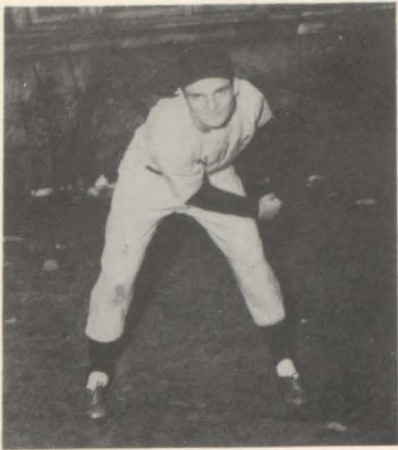

4A Term

New resolution of students: "I will do my homework every night." All happy 4A's. The Cherry-Tree Hop was being held. (Wanna buy a ticket?) Everyone busy working on Yearbook. Mr. Strassberg getting busier and busier as warm weather comes (ahem!) . . . Everyone talking about the Senior Prom. Finally—Graduation! At the end of our four years in high school (believe it or not), we really hate to leave good, old Central High.

SENIORS

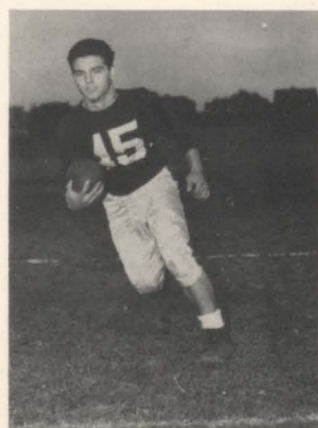

"BILL" ALEXANDER
Our all-State center, who did his
share on offense and double on
defense.

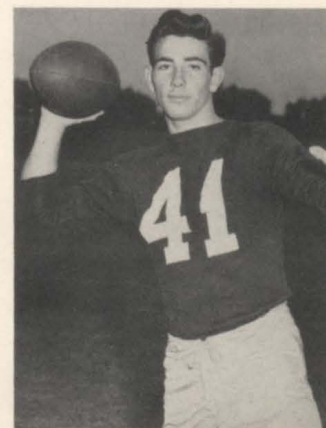

"VINNIE" MISTRETTA
A quarterback from the start,
who was injured earlier in the
season, but proved his worth in
the East Side game.

ANTHONY VERDI
Converted halfback to quarter-
back was a stalwart in Central's
offense.

"NICK" FRASCO
A plunging fullback and
great "backer-up."

VINCENT PARADISO
Shifty halfback who made one of
the longest runs in the 1948
campaign.

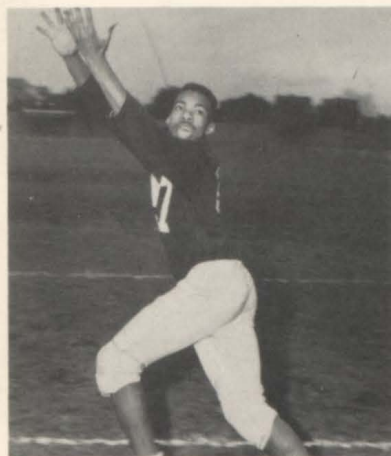

LIVING up to their standards set by Coach "Sal" Commisa, our gridiron ruffians finished the 1948 season with a record of seven wins, one defeat, one tie, and a City Championship.

Our pigskin operators played rough, hard, and clean football and deserved their victories.

The one defeat of our call-and-carry boys was suffered at the hands of Orange (the jinx) who scored more points against us in one game than had been scored by all our other opponents put together.

They'll be back next year though, to fight again and set a goal for the players to achieve.

One of the highlights of the season, was the winning of the Technical Cup from East Side on Thanksgiving Day.

JOHN THOMAS
One of the best all 'round ends.

"DICK" GIORDANO
Speedy little halfback who really ate up yardage.

Mayor Murphy addressing the group.

Superintendent Herron addressing the group.

A VERY successful football season was brought to a conclusion by an excellent dinner given in honor of our football heroes—1948 City Champs—and their very fine coach, "Sal" Commisa.

We were honored by hearing from our Superintendent of Schools, Dr. John S. Herron; our Mayor, Honorable Vincent J. Murphy; Honorable Meyer Ellenstein, one of the city commissioners; Mr. Leo P. Carlin, vice president of the Board of Education; and our principal, Mr. Stanton A. Ralston.

Mr. Louis Danzig, Central High Alumnus, head of Newark Housing Authority, was the toastmaster. Our guest speaker was Mr. Hugh Devore, football coach of St. Bonaventure College. Mr. Devore gave the football heroes some very good advice concerning their studies.

The awards were presented to the boys by Mr. Ralston. The sweaters which were awarded were provided through the generosity of the Central Booster Group, of which Joseph DeFillipo was the chairman.

A trophy was presented to Bill Alexander, best lineman.

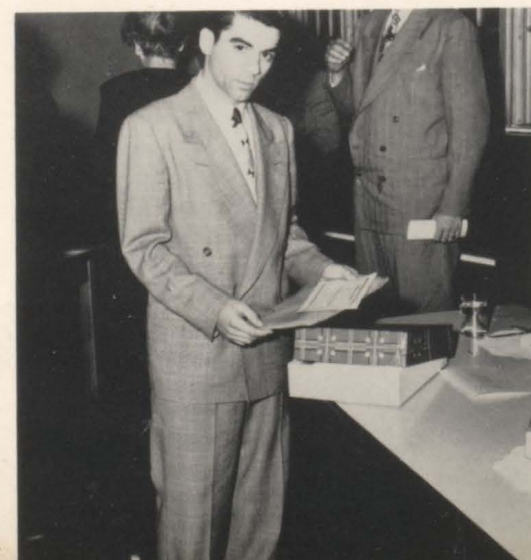

The following 4A's received awards: Bill Alexander, Nick Frasco, Dick Giordano, Vince Mistretta, Charles Thomas, Anthony Verdi.

CENTRAL HIGH through the years has always produced good baseball teams. In 1947 and 1948 Central won the City Championship and are strong competitors for 1949. "Greg" Cordones has pitched brilliant ball for the Blue, climaxed by two consecutive "no-hitters" in the first two games of the 1949 season. We predict a great future for "Greg" and see a good future for Central High's baseball team.

OUTDOOR TRACK

RETURNING to the cinders after a lapse of fifteen years, Central High had a fairly good outdoor season. The man who was picked to pilot them was the very capable Mr. Bauer, Chairman of the Physical Education Department of Central. Even with the lack of talent which the boys showed, Mr. Bauer still came up with some winners in the City Meet. In the 880 yard Junior run, Lee Duleb took second place. In the 880 yard Senior run, Frank Torchia of our class was nosed out at the tape and wound up second also. The big moment came when Central captured first in the 880 yard relay which was composed of Len Walsh, Ed Flatley, Bill Dudley and Barron Castle. The latter, who is a member of our class, led the way to victory.

INDOOR TRACK

WITH the return of outdoor track, Mr. Bauer decided to pit our boys against stiffer opposition on the hardwood. The competition being keener, our boys did not show very well. The only boy who really showed anything was a newcomer, one of our classmates, Charley Smith, who ran the mile. He placed with the first five in every meet and on one occasion took first in his heat and received a plaque. He also was the only one to receive a letter in outdoor track for 1949.

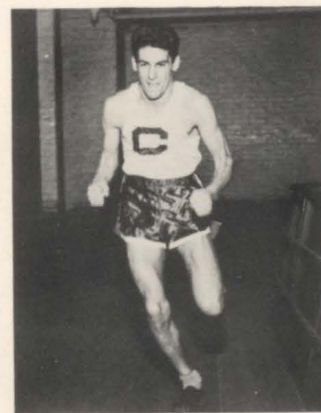

ROBERT MORGAN
This little man overcame size and experience to prove himself.

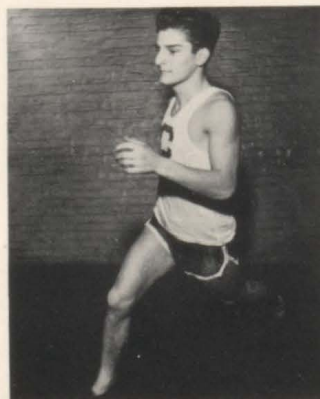

RICHARD GIORDANO
A speedy little fellow who moved his legs like pistons.

CHARLES JACOBS
He held his own in the quarter mile.

BARRON CASTLE
This boy could run when he wanted to and he proved that in the City Meet.

FRANK TORCHIA
A very fine performer in the half mile and mile.

JOHN THOMAS
John earned his letter on the high hurdles.

COACH "SOL" FLEISCHMAN

CHARLES SMITH

Top man in the 1948 season, finished third in the State.

ROBERT MORGAN

His running gave us a decisive victory in the City Meet.

ANOTHER successful cross-country season was finished in 1948 with Central's distance men winning the City Championship for the third consecutive year.

The dual meets were none too successful but, by the time the City Meet was held, the team's improvement was obvious.

Our harriers finished fifth in the County Meet, not running true to form as they had in the City.

The State Meet was a different story. With plenty of spirit on a cold, damp Saturday morning, our dalers finished a strong seventh, with Charles Smith leading the way, taking third place out of over two hundred entries.

Coach "Sol" Fleischman was proud of his boys and we are sure the runners that follow will keep the winning tradition in Central High School.

He tried hard every time.

OUR mermen did very well throughout the past season. They won the City League Title, taking both rounds with ease.

Len Walsh was a double threat swimmer, but graduated before the City Meet which left us without a star free styler.

Our Natators finished third in the City Meet because of an illegal turn in the medley which lost us a first place for that event. Had we won the Medley Relay we would have finished first.

All in all, the boys put in a good season and we are proud of them.

THE 1948-49 basketball season of Central High School found itself with a new coach, "Sol" Fleischman, who took over Henry Finck's successful job after the latter resigned. This season brought this school not only a new coach but also a new system to which the team was unaccustomed.

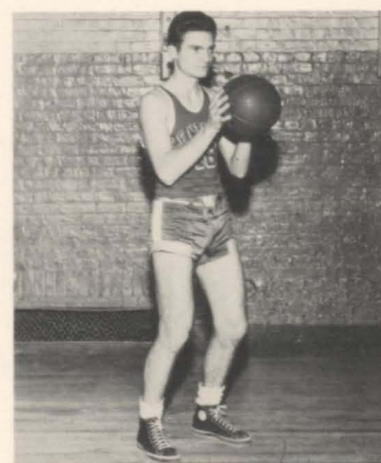

The two seniors who departed from the game at the end of June, 1949 are Charles Courtney and "Greg" Cordones. Both played important roles in the gaining of victories and the gathering of defeats.

The team as a whole had bright and dull spots throughout the campaign. At times the Central quintet would be on the verge of a victory and suddenly fail at a crucial point.

All in all many observers saw the season as a success, and others did not see it so optimistically. The team won thirteen and lost seven.

Last Will and

IN THIS MONTH of June, 1949, we, the senior class of Central Commercial and Technical High School, situated in the city of Newark, in the state of New Jersey, being in complete control of our mental faculties and in a sane state of mind, declare and ordain this to be our Last Will and Testament.

To our advisers, Mrs. Florabelle Burke and Mr. Eric Lundie, we leave sincere thanks for their untiring efforts in guiding our class; also a host of pleasant memories acquired during our very short acquaintance.

To Mr. Schleicher we leave a Republican administration and also a portrait of F.D.R.

To Mr. Nester we leave a corridor free of loitering students before and after class and also a class of boys who know the difference between triangles and rectangles.

To Mr. Inzeo we leave a book of 1000 jokes to try to make him smile during class. We also leave him our deep gratitude for outfitting our teams.

To Miss Hough we leave a class of ballerinas who will know each step so she won't have to lift up her dress and show us her legs.

To Mrs. Cushman's students we leave one more half hour in which they can finish their long book reports.

To Mr. Lerner we leave a class of beautiful girls with no subject to study but the girls.

To the Cutters we leave invisible ink to pass out to teachers before they make out cut slips.

To the Latecomers we leave Mr. Strassberg and no more long lines in which to wait.

To the Lovers of Central we leave all the small nooks and corners and crevices of Central High.

To the Lunchroom we leave a blue and white garbage can with a built-in basket for the basketball stars.

To the Assemblies we leave the enthusiasm and attention of all future audiences which we did not give.

To the lower gym we leave one extra atomic bomb. (To enlarge it.)

To our school dances we leave all the wallflowers in the dark corners.

To Miss Bennett we leave pupils who will make out their permit slips correctly.

To the flagpole we leave a new set of initials.

To the Chemistry Lab. we leave a bottle of Air Wick.

To the Halls of Central High we leave a good coat of paint.

To the Homeroom Teachers we leave another class of angelic students.

To Mr. Strassberg we leave the back of the cafeteria clear of all tardy students.

To Mr. Velardo we leave the job of "fixing it up."

To the future 4A's we leave all the miseries and term projects that come with being a Senior A.

To Mr. Miller we leave a book on how to speak Spanish in 5 easy lessons.

To Mr. Cuzzo we leave a complaint department.

To the Juniors we leave a box of vitamin pills to carry them through their final year of toil, sweat, and tears.

To those who suffer thirst we leave the fountains that squirt in your face. (They do everything but give you a drink.)

To Dr. Profeta we leave a new bunch of hard working salesgirls.

To Dr. Barnard we leave business students who are able to write perfectly good business letters. (Just like the book.)

To the true and false test takers we leave the Morse Code.

To the football rallies we leave fire crackers, a pile of wood for a bonfire and many painful memories (?).

Testament

To the future cheerleaders we leave one dozen lemons and a pair of wool mittens to keep them warm on cold days.

To the Band we leave new uniforms and new instruments.

To the Twirlers we leave new routines, intricate pivots and dizzy right and left turns.

To the Tangent we leave a large sunny room for their meetings to help them wake up to real news.

To the Science Department we leave a bottle of cologne for their H₂S experiments and also a book entitled, "100 experiments completed."

To the Elevator we leave a jet-propelled motor so that Vincent can get the teachers to their rooms on time.

To the English Department we leave a book entitled, "How to write term projects in two easy lessons."

To the campus we leave blooming flowers and a big weeping-willow tree.

To the Guidance Department we leave a friendly new worker who isn't so hard on the students.

To the Business Department we leave ambitious young girls who aren't afraid to go out on jobs.

To the National Honor Society we leave new and more interesting programs that will attract the members to stay on as members.

To the Dance Club we leave a year's supply of all the newest and latest records.

To the Art Department we leave ambitious students who like to decorate for dances not because they'll miss classes.

To Dr. Litzky we leave students who will enjoy laughing at his jokes.

To Mr. Commisa we leave a squad of boys who can run 25 laps without puffing.

To the Biology Department we leave a can of live worms.

To certain members of the faculty who are aging and graying on top, we leave the Vitamin K.

To the Students of Central High we leave one Self-Service Elevator.

To the Library Treasury we leave two cents to pay for debts incurred by our class.

To the Freshmen we leave dreams of their graduation from Central.

To the 3B girls we leave autographed pictures of all the handsome 4A boys.

To the girls in gym we leave more frequent fire drills.

To the Faculty as a whole we leave the hope for another raise in salary.

To Mrs. Wright we leave girls who do not compare their filing answers.

To Miss Rybkiewicz we leave students who chew enough to pay for a term party.

To Miss Schlegel we leave a group of girls who try to sell all her tickets for the Minstrel shows in Seton Hall.

To Mr. Franzblau we leave some chemical to soften his voice to normal tone.

To Central High School we leave all the dignity, honor, and respect that we graduates have tried to uphold.

IN WITNESS WHEREOF, we have hereunto set our hand and seal this graduation day of June A.D., One thousand nine hundred and forty-nine.
